THE ERIE TOOL WORKS

ERIE, PENNA., U. S. A.

INTRODUCTORY

OUR TOOLS have been favorably known by Jobbers, Dealers and Users, for many years. We solicit only the Jobbing and Export trade, and guarantee tools to be satisfactory to the buyers and their customers, replacing free any defective tools or parts. Our terms are net cash in 30 days; two per cent. for cash in ten days. To Exporters and Foreign Buyers we deliver F. O. B. cars New York, Boston or Philadelphia; particular attention being given to the packing and boxing of Export Shipments. To other buyers we make the usual freight allowance on shipments in excess of 200 lbs. No freight allowance will be made on shipments of less than 200 pounds.

Erie Pipe Dies

For nearly twenty years the Erie type of Pipe Die has been accepted by dealers and users as the best that can be produced.

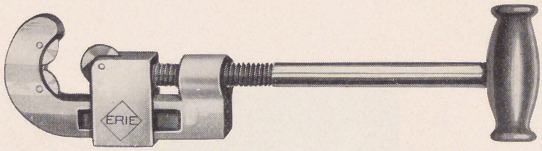
The Cutting Bits, or Chasers, are of Jessops Tool Steel securely welded in an iron block, permitting of the use of a much better grade of steel than is ever used in the making of all steel Dies.

Erie Dies are carefully machined, hardened and tempered in oil, insuring long life of Dies and the easy cutting of true threads.

List of Dies

Number	0	1	1½	2
Dimensions	2x2x½	2½x2½x¾	3x3x¾	4x4x⅞
Pipe Sizes	⅛ ¼ ⅜ ½ ¾	⅛ ¼ ⅜ ½ ¾ 1	⅛ ¼ ⅜ ½ ¾ 1 1¼ 1½	½ ¾ 1 1¼ 1½ 2
Price Each	$1.50	$2.00	$2.50	$3.50

Right-hand American Dies will be furnished unless otherwise specified. We can furnish Left-hand Dies and English or Whitworth Standard Dies at the same prices.



Nos. 0, 1 and 2

Roller Pipe Cutters

Improved Saunders Pattern

Saunders type, with two rollers in frame and cutting wheel in block. Of extra strength with best material and workmanship. The advantage of the Rollers in this cutter is to smooth down the burr that is raised by the wheel in cutting the pipe. All the wearing surfaces—Rollers, Pins and Wheel—are made of tool steel and hardened, thus increasing the durability and reducing the friction to a minimum. Parts are interchangeable with all standard makes.

List
